About The Color of Mother

As the first book in the Color Everything children's book series, *The Color of Mother* is a tribute, in colors and words, to mothers and mother figures who inspire, encourage, love and care for us, whether we are age two or 52. For children, it's a reminder of how wonderful it is to be nurtured and cherished. For mothers and mother figures, it's a thank you for who you are each and every day.

CHELSEA YOUNG

As a lifelong student of the written word, Chelsea Young has a heart for inspiring others through writing. Always fascinated by colors and color psychology, Chelsea wrote the original draft of *The Color of Mother* at age 11 as a poem in homage to her own mother's qualities, which are universal to all mothers. When Chelsea isn't dreaming in color, she's the editor of a lifestyle magazine, teaches professional writing at a university, and is a freelance writer and editor. Chelsea resides in Phoenix with her beloved rescue dog, Hope. Connect with Chelsea at www.chelseayoung.com.
